

Better Hardwood Flooring

*Better Service, Better Quality, Better Value
for every floor and every customer!*

Recently completed floors

Engineered Stained Sappeli

Our Canaveral Groves customer wanted flooring with the 'wow factor'. He choose a deeply stained Sappeli Hardwood. This exotic color enriched the feel of the entire home.

Stained Cork Flooring

Our Viera customers wanted an eco-friendly, low maintenance flooring. For them, the natural look of cork was the perfect choice. They chose this style not only for its green value but also its unique coloring and durability.

Laminate Maple Flooring

Our Rockledge customer had a rental condo with stained, outdated carpet. We removed and replaced all her ugly carpeting with beautiful, inexpensive laminate flooring. She was so impressed, we replaced the flooring in her personal home shortly thereafter.

Engineered Prefinished Tigerwood Hardwood

We removed and replaced the old carpeting in all the bedrooms of our customers beautiful Cocoa home with exotic Tigerwood. It's distinctive markings and coloring changed the look and feel of every room.

Hand Scraped Stained Maple Engineered Flooring

Our Suntime customer's natural stone fireplace with random curved edges made for a unique challenge when installing their new flooring. We met the challenge that other flooring professionals were not interested in even attempting and the results speak for themselves.

Laminate Flooring

Our Cocoa customer wanted the look of natural hardwood without the price. We explained that laminate has come a long way in recent years. After going through our extensive inventory of laminate options, they finally settled on this beautiful, durable choice.

Solid Hickory/Pecan Hardwood Flooring

After the installation of this uniquely varied Hickory flooring, our Melbourne customer decided they liked it so much, they special ordered kitchen cabinets to match their new floors.

Better Hardwood Flooring

We strive to live up to our name with every customer and every floor.
